

CANCELLATION POLICY

Most of our dental appointments are scheduled for 1 hour, 1 ½ hours, or 2 hours long. Therefore, if a patient cancels their appointment at the last minute or does not come to their appointment, a lot of time is wasted when another patient could have had that appointment time.

This is why we require 48 hours notice if you need to change or cancel your appointment. If you cancel or change your appointment with less than 48 hours notice, we reserve the right to charge a minimum of \$50.

We will call you to remind you of your appointment two days beforehand and we ask that you call us back to confirm your appointment if we leave you a message.

Thank you for your understanding and cooperation.
